

Borland Turbo C

in React, MobX and Node.js

@amitzur

1987

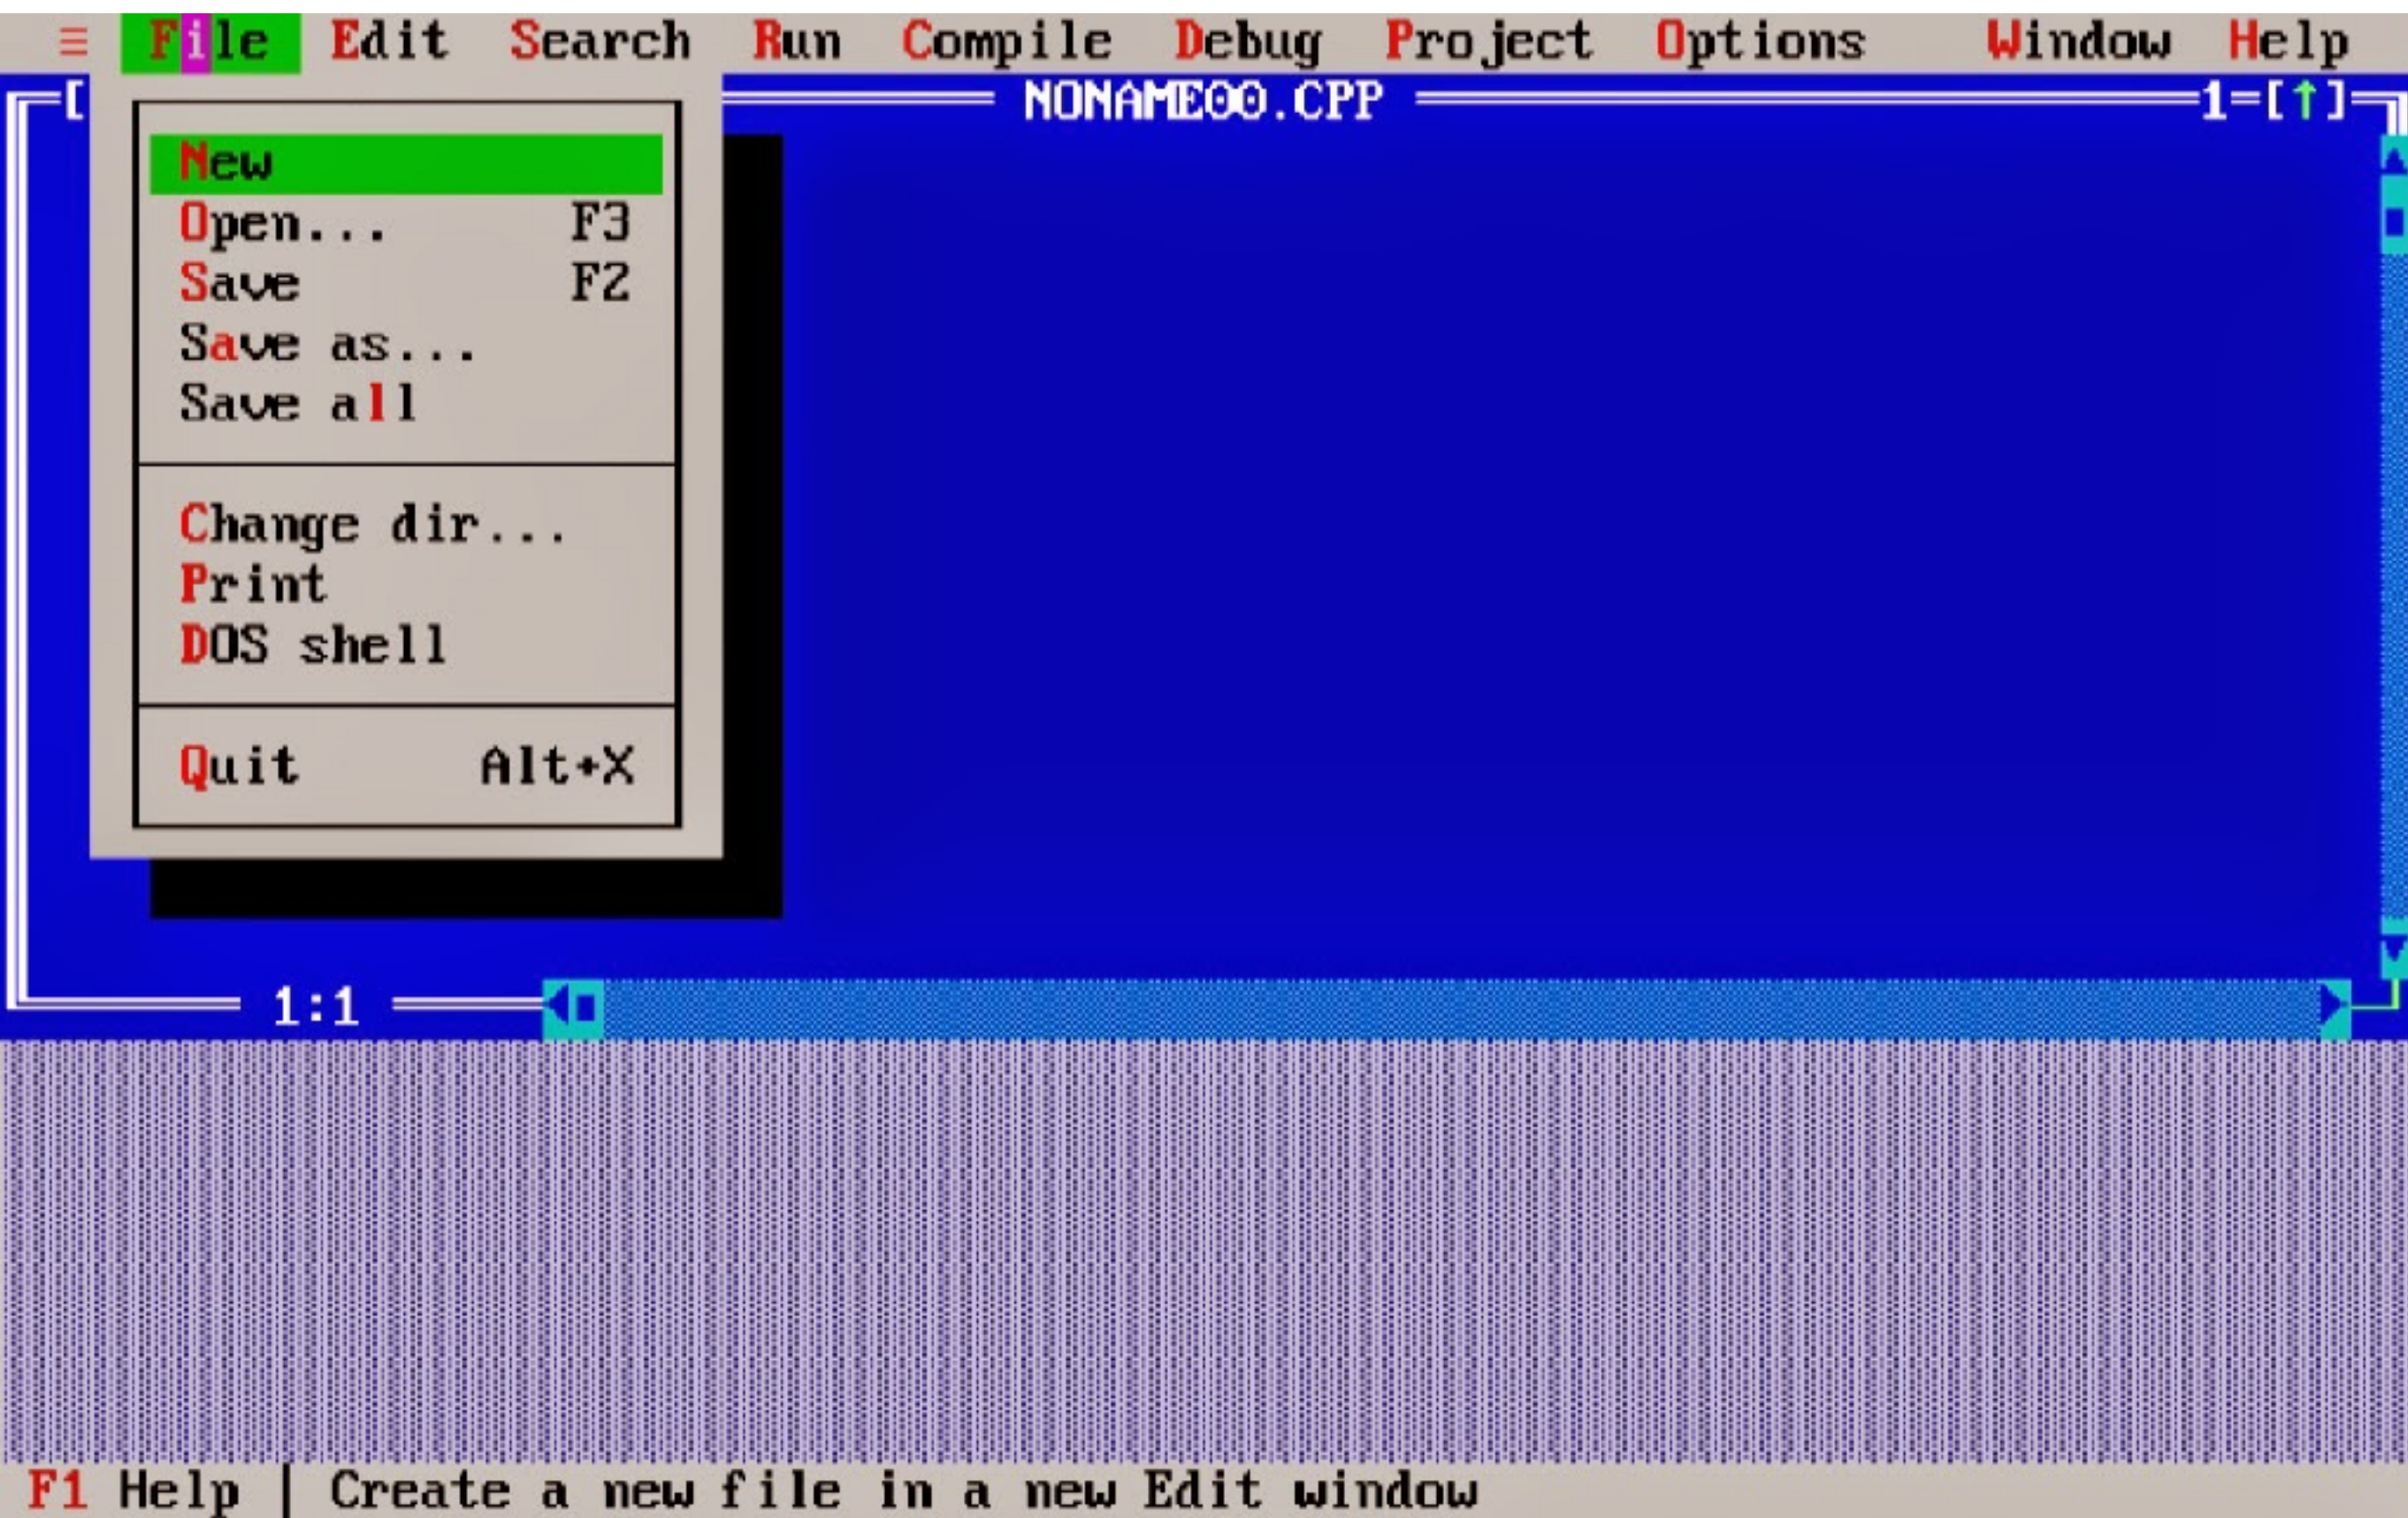

A ROB REINER FILM

THE PRINCESS BRIDE

Feature overview

Hamburger menu

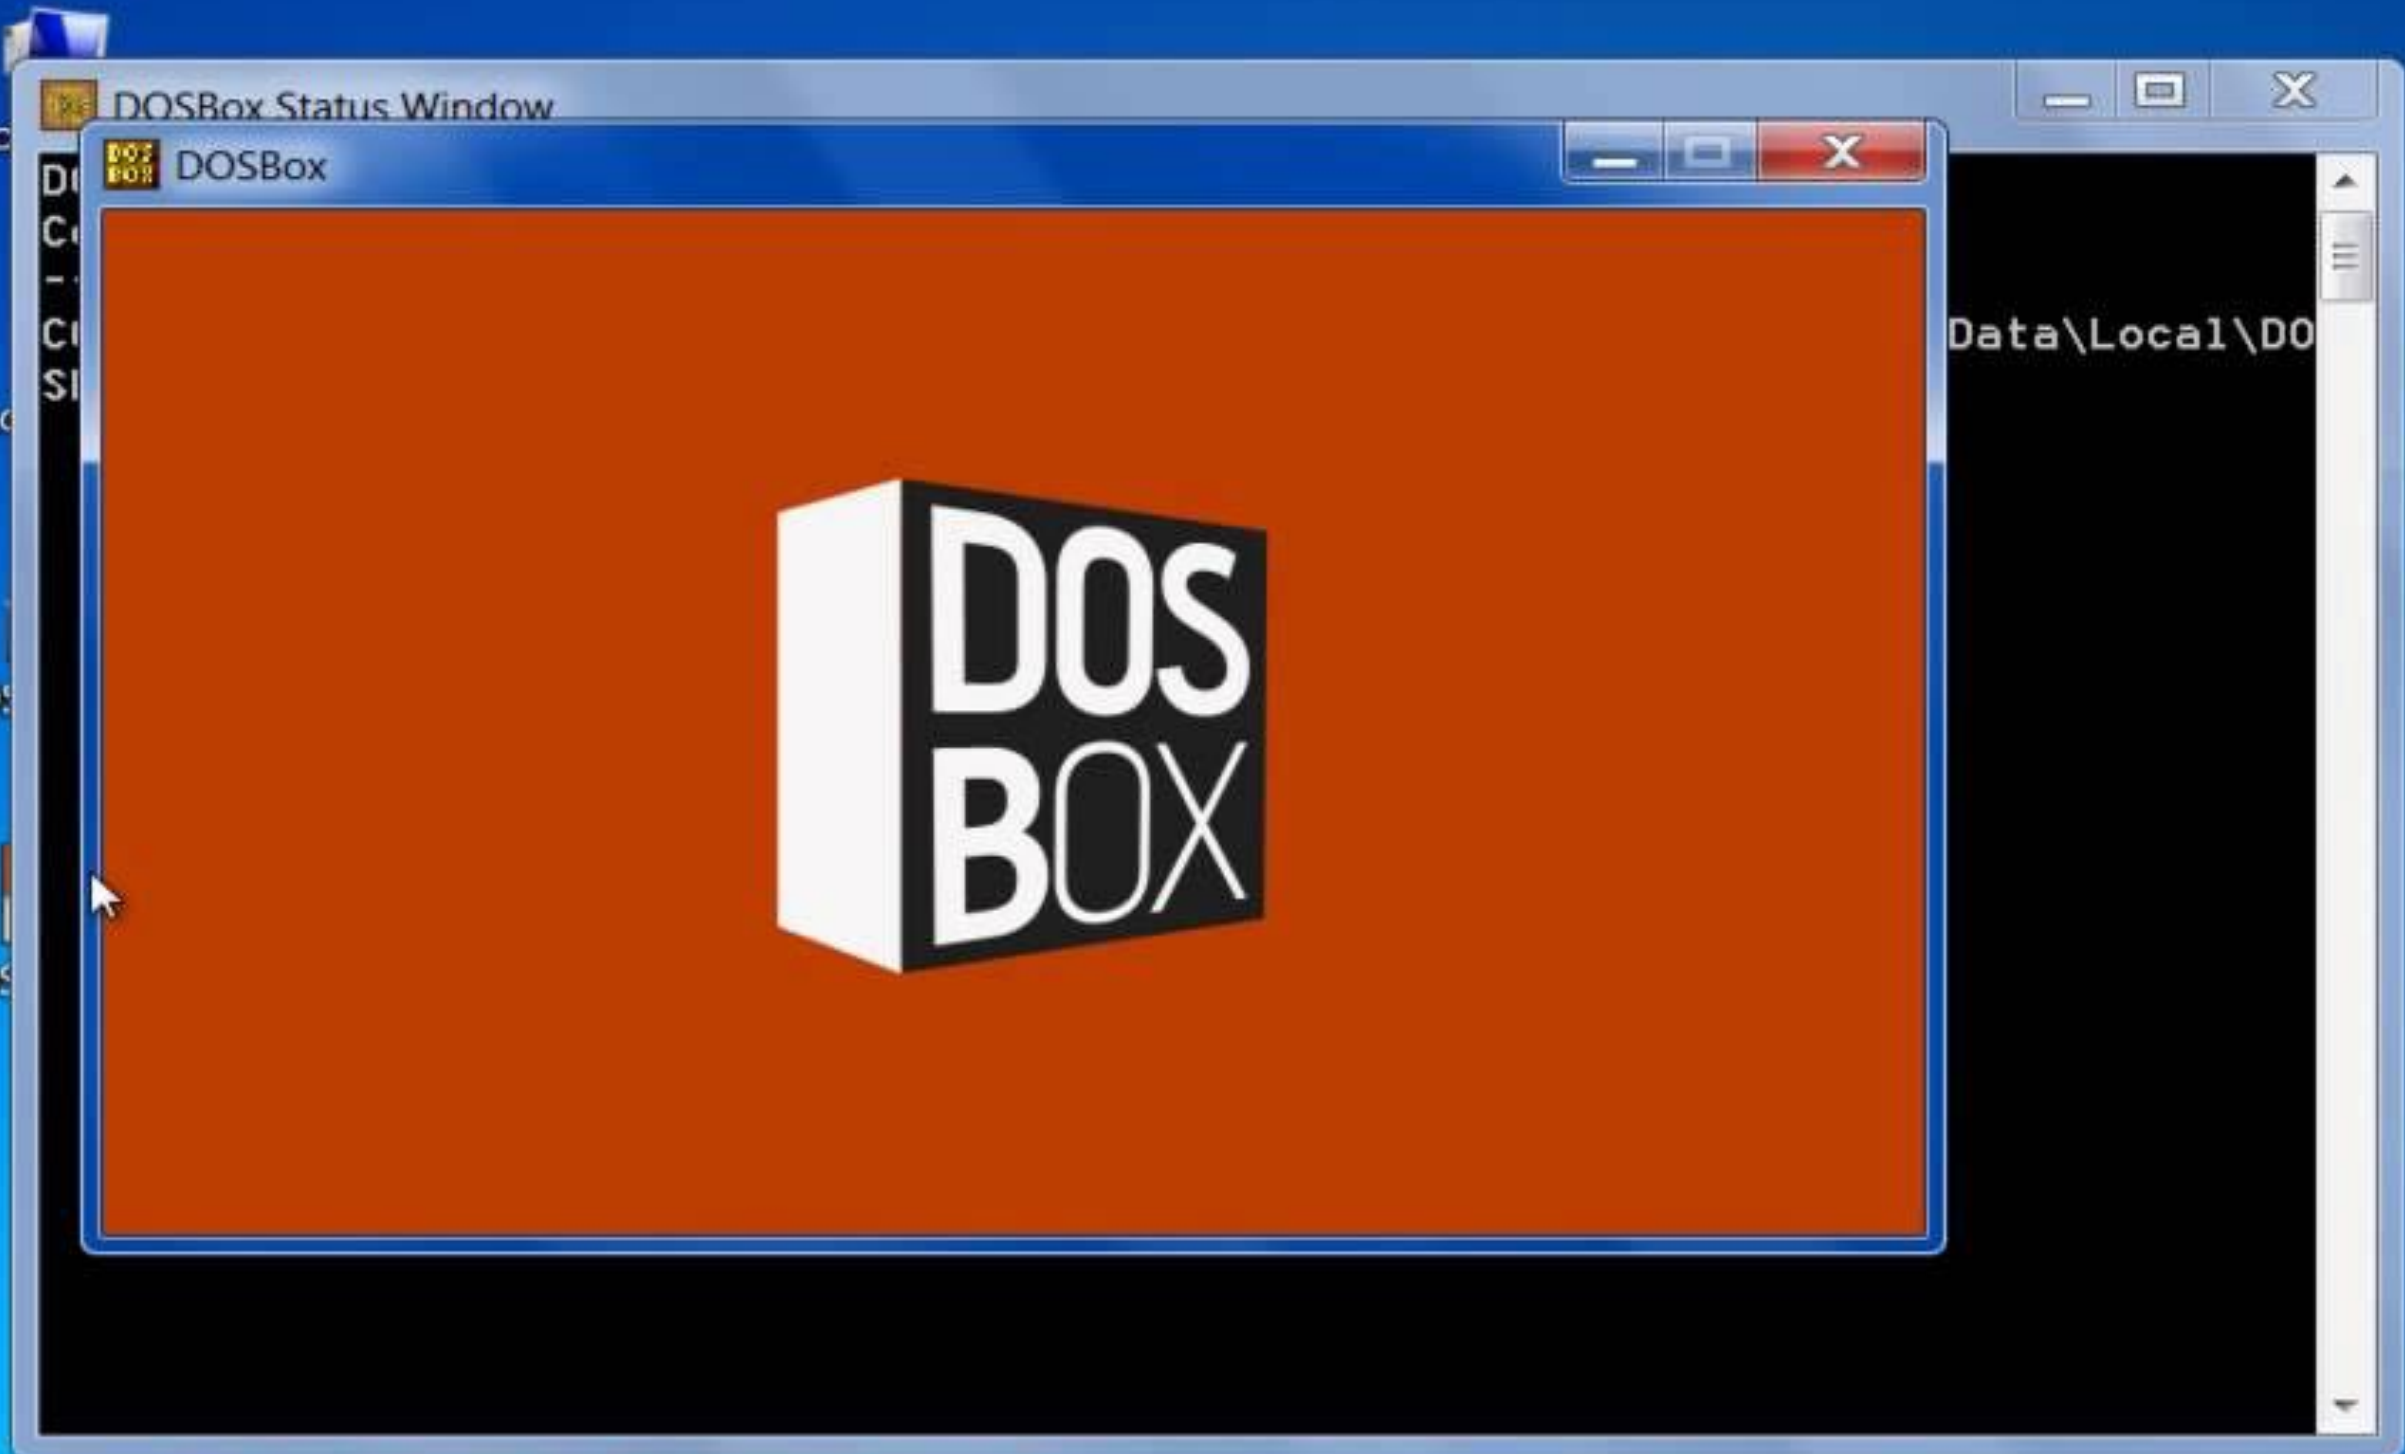

Window manager

File manager

Syntax highlighting

Search

Oh yeah, compile/run/debug C code

Atomic design

Steps to reproduce

CRA with custom scripts

Server

Storybook

Background svg

Components, stores

Render props

What next

compile

debug (CDT/FF protocol)

Electron

WebAssembly (rust?)

collaboration using node-busmq

html-sketchapp

Thanks y'all!
